Welcome to Year 5 Meeting

Tuesday 16th September 2025
Herons

Miss Smaller

Loving Father

Bless our school and fill our hearts
with love, friendship and forgiveness.
Help every child to grow and
achieve the best that they can
When we find things difficult give us the
courage to carry on.
We thank you for all of our friends
and classmates.
Bless our families, our community and
all who help us in our school.
Help us to follow in your footsteps.

Amen

UKS2 Team

Our mission is to follow Jesus in all we think, do and say and our Golden Rules help us to do this.

- **We are gentle** – we don't hurt others
- **We are kind and helpful** - we don't hurt anybody's feelings
- **We work hard** - we don't waste our own or others' time
- **We listen well** – we don't interrupt and we follow instructions
- **We are honest** – we don't cover up the truth
- **We look after our own and other people's property** – we don't damage things
- **We keep each other safe.**

St Mary of the Angels is an exceptionally welcoming and joyful community. Pupils understand and fully embrace the Catholic identity and mission of the school. The school mission of 'Following Jesus in all we think, do and say' is evident in every aspect of school life. Pupils explain with pride how the school mission relates to their everyday lives and exactly what it means in their school. Pupils told inspectors 'We should always try to love people like Jesus did'. Pupils are happy, confident and feel secure in their daily experience of the school. They greatly enjoy being part of the community and value the support of adults around them.

Catholic School Inspection report June 2024

Curriculum

At St. Mary of the Angels Catholic Primary School we study Religious Education, the National Curriculum and age appropriate Relationships and Health Education. We offer a provide a broad, balanced and creative curriculum to enable every child to develop their gifts from God and be the best they can be.

We aim to:-

- create a welcoming, happy, secure and caring environment in which all can work and achieve their full potential;
- provide a broad, balanced and creative curriculum that meets the spiritual, emotional, moral, intellectual and physical needs of all pupils and prepares them for the responsibilities of adult life;
- develop a spirit of care, generosity, forgiveness and equal opportunity within our multicultural community through prayer and living our faith;
- worship together as a community, celebrating meaningful and appropriate liturgy
- ensure that the prayer life of all in our school community is nourished, guided and developed

For further information re the curriculum please visit the homepage of the school website or click here.

Religious Education Directory

Curriculum: Religious Education

For more information, contact:

caritaswestminster@rcdow.org.uk

Or speak to your RE Primary Advisor

Caritas Westminster

We started our Rooted in Love journey in the summer term of 2023 and continue this term with the autumn topics: Care of Creation & Preferential Option for the Poor.

More details in the Curriculum Newsletter.

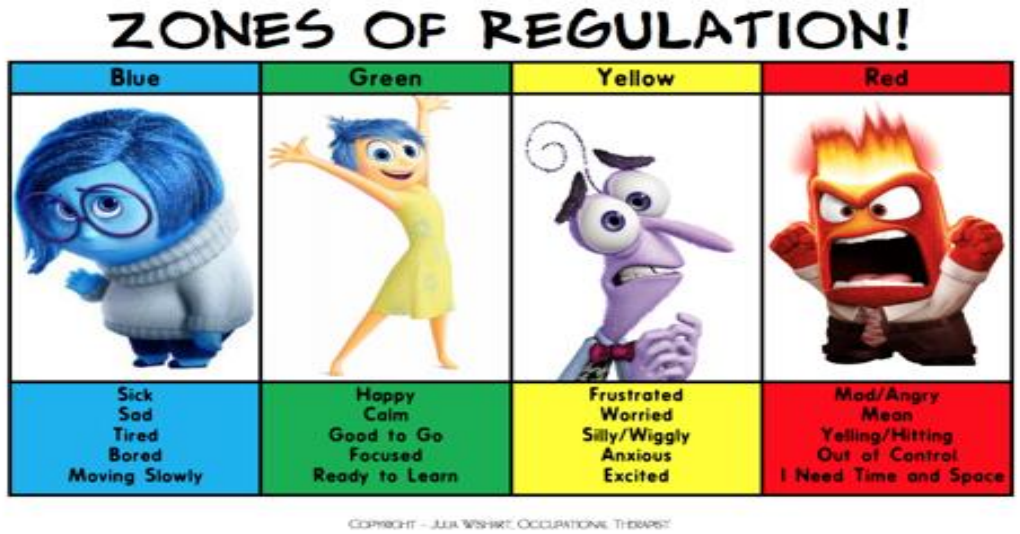

For more information please visit

https://education.rcdow.org.uk/rooted-in-love/

Catholic Life and Mission of the School (cont'd)

On our Rooted in Love journey this term we will be introducing the children, at an age appropriate level, to the concepts of:

- **Caring for Creation** – what it means to be a 'good steward' and how they could look after our world. It is important that the children understand that the way we treat our common home affects everyone, in every country, now and in the future.
- **Preferential Option for the Poor** - God calls us to look for those in need and work hard to support them as best we can. This means allowing someone to have the first choice. It means giving someone the best that is available; not just the scraps or leftovers.

Relationships and Health Education (RHE)

We continue to follow the Life to the Full Plus programme to teach RHE and Personal Social and Health Education (PSHE). The Life to the Full Plus Parent Portal can be accessed as follows:

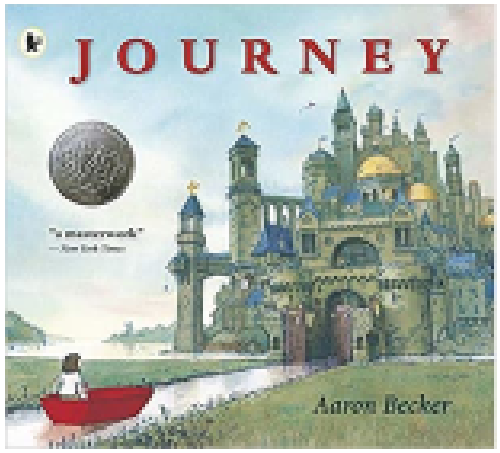

.

www.tentenresources.co.uk/parent-portal

School username: st-mary-angel-w2

School password: palace-gardens

We will also be learning about and identifying our feelings and emotions using the **'Zones of Regulation'.**

English

Our English curriculum follows the programmes of study from the National Curriculum. At our school, we have designed our English curriculum in partnership with Lillie McCotter from the Reading Room. The English Curriculum is taught using a 'teach-through-a-text' approach, with quality texts as the basis for each writing unit. Each term, classes with start with a poetry focus before exploring various text types connected to a theme. For example we started the school year by studying the whole school text ***'Journey' by Aaron Becker.*** This focused on visual literacy, and included a short, descriptive piece of writing.

Maths

We continue to use White Rose Maths scheme of work. This term, we will be looking at Place Value to millions, Four Operations and Fractions.

Science

We follow the White Rose Science scheme of work. This term, we will be looking at Forces, Space and Global Warming.

History, Geography, Art & Design and Design & Technology

From September this year we are teaching the national curriculum for these foundation subjects using Kapow Primary's schemes of work.

Kapow Primary provides engaging, knowledge-rich and progressive curriculums and lesson plans for foundation subjects along with professional development for teachers. Improving teaching and learning in these foundation subjects is a key focus for school improvement this year.

We are continuing to update our school website with more detailed information on the curriculum. The parent guides below can be found on the relevant page in the School Information/Curriculum tab.

Cycle B 2025 2026					
Autumn Term		Spring Term		Summer Term	
History	Geography	History	Geography	History	Geography
What does the Census tell us about our local area? Investigating local history during the Victorian period, children carry out an enquiry using the census, parish register, and factory records. They learn about the changes to the family over a period of time and suggest reasons for these changes, linking them to national events. Planning their own historical enquiry, they research a local family.	**Why does population change** Looking at global population distribution, thinking about why certain areas are more populated than others. Exploring the factors that influence birth and death rates and using case studies to illustrate these. Exploring the social, economic and environmental push and pull factors that influence migration. Fieldwork is carried out to explore the impact of population on the local environment. Spring?	**What did the Greeks ever do for us?** Through investigating the city states of Athens and Sparta, children identify the similarities and differences between them. Using different sources of evidence, they learn about democracy and compare this to the ways in which other civilisations are governed. Considering the legacy of the ancient Greeks, children learn about the Olympic games, architecture, art and theatre	**Why do oceans matter?** Exploring the significance of our oceans, learning how humans use and impact them and how this has changed over time. Studying the Great Barrier Reef and how plastic and pollution is damaging this marine environment, and considering positive environmental changes that can be made including making eco-friendly choices. Using fieldwork skills to investigate the amount and type of litter in a marine environment.	**Unheard Histories: Who should go on a bank note?** Unheard histories: Who should go on the £10 banknote? Investigating why historical figures are on banknotes and learning about the criteria for historical significance. Children participate in a tennis rally debate and create a video to explain why a particular historical figure was significant, before selecting a historical figure for the £10 note	**Can I carry put an independent fieldwork study?** Planning and carrying out an independent enquiry, exploring an issue in the local area. Developing an enquiry question, designing data collection methods, and recording, analysing and presenting the findings.

Physical Education

PE Uniform

- Navy blue school PE shirt
- Navy blue school sweatshirt
- Navy blue school shorts (summer)/tracksuit bottoms (winter)
- Plain black plimsolls/trainers
- Winter/Summer hat.

School uniform policy allows pupils to wear stud earrings – no other jewellery is allowed.

PE lessons

Herons: Monday and Friday

After school club / clubs

Football – Monday 3:30-4:30pm
KS2 Multisports- Tuesday 3.30 – 4.30pm
Athletics – Wednesday 3:30-4:30pm
Zumba – Wednesday 3:30-4:30pm
Gymnastics– Thursday 3:30-4:30pm
Art – Thursday 3:30-4:30pm

We have a range of exciting experiences planned for UKS2 to enrich the curriculum and engage students e.g.

- Swimming at Porchester pool
- Class trips
- Residential to Sayers Croft (Y5)
- Secondary school visits
- Paddington Library visits
- More to follow….

Home Learning

Monday	Tuesday	Wednesday	Thursday	Friday
Writing/ Topic due in Spellings go home		Maths goes home		Spellings due in Maths due in Writing/ Topic goes home

- **Spellings will be handed out on Mondays and due back on Friday, with a test also on Friday.**
- **Maths homework will be handed out on Wednesday and will be due in Friday.**
- **Writing/Reading/Topic homework will be handed out on Friday and will be due in the following Monday.**

Children are expected to read for at least 20 minutes every night. Please sign reading records each night. We promote a love of reading and children are encouraged to take books home from school to read. A suggested book list is also available from us.

Oxford reading buddy and Purple Mash logins will be stuck in your child's reading record.

Homework

- Spellings will be handed out on Mondays and due back on Friday, with a test also on Friday.

Home School Communication

To contact the class teacher:

- Telephone the school and leave a message
- Email office@stmaryangels.co.uk

To contact Mrs Hough (Acting Headteacher) or Ms Hulands (Acting Deputy Headteacher)
Telephone the school office and ask to speak to Ms Chadwick (Senior School Administrator) or email office@stmaryangels.co.uk
It would helpful if you can give as much information as you feel comfortable with and the class teacher/senior member of staff will call you back as soon as possible.

To contact Mrs Waine (SENCO) telephone the school office or email senco@stmaryangels.co.uk

How can you help?

- Ensure that they go to bed early.
- Provide them with a good healthy breakfast.
- Establish clear routines after school, including time to complete homework
- Encourage your child in all aspects of academics.
- Praise their good behaviour.
- Practise spelling words and timetables
- Take turns reading to each other and asking questions to promote comprehension skills.
- Check the school website for updates.
- Ask about your child's day.

Social Media Code of Conduct

We are aware that some parents/carers may choose to communicate with other parents on social media platforms. If you do so, the school expects you to behave in a civilised nature online.

A **Social Media Code of Conduct** will be shared with you shortly which will set out clear procedures for how we expect parents/carers to conduct themselves on social media and when using messenger apps, such as WhatsApp.

For now, Mrs Hough has asked us to share with you that the school will not tolerate

- the posting of defamatory content about parents, pupils, the school or its employees.
- the creation or joining of private groups or chats that victimise or harass a member of staff or the school in general.

Year 5 Residential

Monday 10th November – Wednesday 12th November 2025

Sayers Croft

- This year, Year 5 will be attending a residential at Sayers Croft in Surrey for two nights/three days.
- Closer to the date, notes will go home with all other information e.g. packing list, leaving/returning times, etc.
- Fantastic opportunity for team building, independence, outdoor skills/knowledge

More information to follow

Thank you for coming!
