Swallows & Swifts

Miss Hannah
Mr Drury

Loving Father

Bless our school and fill our hearts
with love, friendship and forgiveness.
Help every child to grow and
achieve the best that they can
When we find things difficult give us the
courage to carry on.
We thank you for all of our friends
and classmates.
Bless our families, our community and
all who help us in our school.
Help us to follow in your footsteps.

Amen

Our mission is to follow Jesus in all we think, do and say and our Golden Rules help us to do this.

- **We are gentle** – we don't hurt others
- **We are kind and helpful** - we don't hurt anybody's feelings
- **We work hard** - we don't waste our own or others' time
- **We listen well** – we don't interrupt and we follow instructions
- **We are honest** – we don't cover up the truth
- **We look after our own and other people's property** – we don't damage things
- **We keep each other safe.**

St Mary of the Angels is an exceptionally welcoming and joyful community. Pupils understand and fully embrace the Catholic identity and mission of the school. The school mission of 'Following Jesus in all we think, do and say' is evident in every aspect of school life. Pupils explain with pride how the school mission relates to their everyday lives and exactly what it means in their school. Pupils told inspectors 'We should always try to love people like Jesus did'. Pupils are happy, confident and feel secure in their daily experience of the school. They greatly enjoy being part of the community and value the support of adults around them.

Curriculum

At St. Mary of the Angels Catholic Primary School we study Religious Education, the National Curriculum and age appropriate Relationships and Health Education. We offer a provide a broad, balanced and creative curriculum to enable every child to develop their gifts from God and be the best they can be.

We aim to:-

- create a welcoming, happy, secure and caring environment in which all can work and achieve their full potential;
- provide a broad, balanced and creative curriculum that meets the spiritual, emotional, moral, intellectual and physical needs of all pupils and prepares them for the responsibilities of adult life;
- develop a spirit of care, generosity, forgiveness and equal opportunity within our multicultural community through prayer and living our faith;
- worship together as a community, celebrating meaningful and appropriate liturgy
- ensure that the prayer life of all in our school community is nourished, guided and developed

For further information re the curriculum please visit the homepage of the school website or click here.

Catholic Life and Mission of the School (cont'd)

On our Rooted in Love journey this term we will be introducing the children, at an age appropriate level, to the concepts of:

- **Caring for Creation** – what it means to be a 'good steward' and how they could look after our world. It is important that the children understand that the way we treat our common home affects everyone, in every country, now and in the future.
- **Preferential Option for the Poor** - God calls us to look for those in need and work hard to support them as best we can. This means allowing someone to have the first choice. It means giving someone the best that is available; not just the scraps or leftovers.

Relationships and Health Education (RHE)

We continue to follow the Life to the Full Plus programme to teach RHE and Personal Social and Health Education (PSHE). The Life to the Full Plus Parent Portal can be accessed as follows:

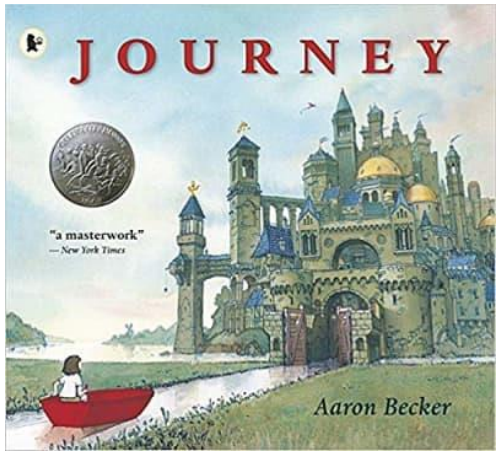

.

www.tentenresources.co.uk/parent-portal

School username: st-mary-angel-w2

School password: palace-gardens

We will also be learning about and identifying our feelings and emotions using the **'Zones of Regulation'.**

English

Our English curriculum follows the programmes of study from the National Curriculum. At our school, we have designed our English curriculum in partnership with Lillie McCotter from the Reading Room. The English Curriculum is taught using a 'teach-through-a-text' approach, with quality texts as the basis for each writing unit. Each term, classes with start with a poetry focus before exploring various text types connected to a theme. For example we started the school year by studying the whole school text ***'Journey' by Aaron Becker.*** This focused on visual literacy, and included a short, descriptive piece of writing.

Maths

We continue to use White Rose Maths scheme of work. This term, we will be looking at Place Value to tens of thousands, Addition and Subtraction, Length and Perimeter, and Multiplication and Division.

Science

We continue to use the White Rose Science scheme of work. This term, we will be looking at Skeletons, Movement, Nutrition and Diet, Food Waste and Rocks.

History, Geography, Art & Design and Design & Technology

From September last year, we are teaching the national curriculum for these foundation subjects using Kapow Primary's schemes of work.

Kapow Primary provides engaging, knowledge-rich and progressive curriculums and lesson plans for foundation subjects along with professional development for teachers. Improving teaching and learning in these foundation subjects is a key focus for school improvement this year.

We are continuing to update our school website with more detailed information on the curriculum. The parent guides below can be found on the relevant page in the School Information/Curriculum tab.

Cycle B 2025 2026					
Autumn Term		**Spring Term**		**Summer Term**	
History	**Geography**	**History**	**Geography**	**History**	**Geography**
How have children's lives changed? Investigating the changes in children's lives through time, learning how: spare time, children's health and work have changed and learning about a day in the life of a working child. Finding out about the significance of Lord Shaftesbury and his impact on schools and working conditions.	**Who lives in Antarctica?** Learning about latitude and longitude and how this links to climate. Contemplating the tilt of the Earth and how this impacts the Antarctic circle and global temperatures. Exploring the physical features of a polar region and how humans have adapted to working there, taking into account that there is no permanent population. Studying Shackleton's expedition and planning their own expeditions, using mapping skills.	**What did the ancient Egyptians believe?** Developing awareness of how historians find out about the past using mummies, the Book of the Dead and pyramids. Learning about the importance of religion in the ancient Egyptians' lives and considering how this is evident in pyramids, worship and mummification. Learning how the ancient Egyptians explained the existence of the world using their creation story.	**Are all settlements the same?** Exploring different types of settlements and land use, and the difference between urban and rural. Describing the different human and physical features in the local area and how these have changed over time. Making land use comparisons between the local area and New Delhi to find key similarities and differences between these two locations.	**How did the achievements of the Ancient Maya impact their society and beyond?** Investigating historical and archaeological evidence, children explore the achievements of ancient peoples like the Maya. By making inferences and observing artefacts, they study the Ancient Maya's settlements in rainforests, the cultural significance of chocolate and the impact of their beliefs, inventions and decline within and beyond their society.	**What are rivers and how are they used?** Exploring the different ways water is stored and moves, developing an understanding of the water cycle. Naming and mapping major rivers both in the UK and globally. Learning about the features and courses of a river and how they are used by humans, and studying a local river to identify these features.

Children are expected to read for at least 20 minutes every night. Please sign reading records each night. We promote a love of reading and children are encouraged to take books home from school to read. A suggested book list is also available from us.

Oxford Reading Buddy and Purple Mash logins will be stuck in your child's reading record.

Social Media Code of Conduct

We are aware that some parents/carers may choose to communicate with other parents on social media platforms. If you do so, the school expects you to behave in a civilised nature online.

A **Social Media Code of Conduct** will be shared with you shortly which will set out clear procedures for how we expect parents/carers to conduct themselves on social media and when using messenger apps, such as WhatsApp.

For now, Mrs Hough has asked us to share with you that the school will not tolerate

- the posting of defamatory content about parents, pupils, the school or its employees.
- the creation or joining of private groups or chats that victimise or harass a member of staff or the school in general.

Home School Communication

To contact the class teacher:

- Telephone the school and leave a message
- Email office@stmaryangels.co.uk

To contact Mrs Hough (Acting Headteacher), Miss Hulands (Acting Deputy Headteacher) or Mrs Waine (SENCO)

- Telephone the school office and ask to speak to Ms Chadwick (Senior School Administrator)
- Email Ms Chadwick at office@stmaryangels.co.uk

It would helpful if you can give as much information as you feel comfortable with and the class teacher/senior member of staff will call you back as soon as possible.

Thank you for coming!
